A Word of Thanks

To you patrons who by your loyal support in the past years, have made possible our entry into the National Football League, we are indeed most grateful.

Today we take to the field, represented by a group of young men who made creditable records while at college, and we feel confident that these same athletes, will bring honor to the "Black and White" banner of Staten Island's "Stapes."

We wish particularly to call your attention to the names of the business people, who have placed their advertisements in this program. We sincerely trust that you will patronize them whenever possible.

THANK YOU.
