Frankford A. A. Treasurer

Robert B. Haines is the Treasurer of the Association. Unlike most officers in other organizations, Bob is a very busy man, for besides being Treasurer he is also a member of the Schedule Committee and one of our representatives at the League meetings. Haines has always been associated with football in Frankford. Prior to the forming of an association, Bob handled the finances for the old Frankford team. Bob was elected Treasurer the second year after the Association received its charter. His books are always in apple pie order and open for inspection at any time. He is connected with David Lupton's Sons Co. in the capacity of salesman.

Jackets and Bears in Championship Battle Today

WINDY CITY ELEVEN HAS NOT LOST A GAME. JACKETS ENTER THE
TITULAR FRAY MINUS SEVERAL STARS

Again we witness the annual battle between the Chicago Bears and the Frankford Yellow Jackets. This is always the big game for the Northeast eleven. Although they have never been able to beat the Windy City aggregation. But this is the year for upsets and President Holden, of the F. A. A., expects his team, the best ever to sport the colors of Frankford, to upset the dope and down the Bears. Even though the local eleven will be minus the services of Jones, Moran and Reed, they still have a fighting machine and Coach Chamberlin and his mates "will give their all" as a victory means Frankford clinches the National League Pennant.

The Bears have not lost a game, but have tied two while the Jackets have lost one and tied one, the defeat being inflicted by Providence, 7-6.

The windy City eleven is without doubt, the greatest pro grid team in the country.

The Bears are coached by Dutch Sturna-

man, who plays left halfback, and George Halas, right end. Both of these men learned their football at Illinois and have been with the Bears since the team was organized.

The members of the Bears' backfield are Walquist, Illinois, who has a reputation as a forward passer and an open field runner. Paddy Driscoll, Northwestern University, who was captain of the Chicago Cardinals from 1920 up to 1925. Knop completes the regular backfield. He also is a former Illinois player. Other members of the Bears are Hink Tyman, All-American tackle, Nebraska; Don Murray, Wisconsin; Muller, Illinois; Trafton, Notre Dame, considered the greatest center in pro football; Evans, Harvard; Romney, Chicago; Hanny, Indiana; McMillin, Illinois; Fleckenstein, Iowa, and Bryan, Chicago; Healey, of Dartmouth; and Buckler, of Alabama.

The first game between the two elevens was played in 1924, which the Bears won, the score being 13-10.

TRUE SPORT-CHARITY COMMUNITY SPIRIT

The management of the F. A. A. takes this opportunity to inform its patrons that the Association is purely a community organization and all profits derived from the games, etc., are donated to charity. Ever since the Association was organized its policy had been to donate to local charity, and to this end the officers, directors and members of the A. A. give their untiring services and at the same time endeavor to give Frankford and the Northeast a winning football team that will bring prestige to our town. Just keep these two facts in mind, and remember when you attend the games you are not only supporting the team but giving to charity as well.

The Notable History of Wildwood Gables!

"By The Sea"

Wildwood Gables
By The Sea

**NOT JUST "LOTS"—
BUT A GROWING,
FLOURISHING COMMUNITY**

There's only one way to see how well J. PEDRICK & SON do not offer further subdivisions—public "buy" propositions—ground is rapidly progressing as rapidly as opportunity.

Wildwood Gables

**A STATEMENT
To the Purchasers and Those Contemplating
Purchasing at WILDWOOD GABLES
By the Sea**

Values in Wildwood Gables have increased nearly steadily since—more so than in any other section of the Jersey shore—because Wildwood Gables has not been subjected to boom times and subsequent depression. It has been developed by Frank J. Pedrick & Son, who have maintained a steady and progressive program of development under the supervision of the Pedrick organization.

**The Onward Sweep of
Wildwood Gables Success**

The steady progress of Wildwood Gables is representative of real estate success in the Jersey shore.

The first two sections sold out in record time, the third section is now being developed and improvement program is being carried out with the same rapidity and efficiency.

A new development and improvement program is being carried out by Frank J. Pedrick & Son, who have maintained a steady and progressive program of development under the supervision of the Pedrick organization.

WILDWOOD GABLES has taken immense strides forward—Values have increased tremendously

Realty experts are pointing to it as one of Jersey's leading resorts and why?

The answer is told in the advertisements of this great community here reproduced . . . Every promise made in this advertising has been kept . . . Every Pedrick pledge has been fulfilled . . . Every Pedrick prediction has come true.

THIS advertising, which has appeared steadily week in and week out, has not only sold over four million dollars of Wildwood Gables residences and acreage . . . it is continuing to sell and resell—a valuable service to purchasers . . . and it is arousing wide interest and attracting thousands of visitors constantly.

Wildwood Gables is a crowning achievement of Frank J. Pedrick and Son . . . This superb seashore community with its beautiful homes, its modern civic improvements, and its delightful landscapes is a splendid example of the handiwork of the Pedrick organization.

REALTORS—Members of the National Assn. of the Real Estate Boards

For the convenience of our clients, a new Pedrick Office, at 3167 Kensington Avenue, has been opened. Mr. Lawrence Downey is manager of this branch.

"We Aim to Please"

—and then YOU will share
their pride in this Saw

YOU can still buy a hand saw that is the personal product of a craftsman's hands—and in which you can take a craftsman's pride.

Though the world's greatest saw works is alive with modern machines—many of them invented and built here in the Disston plant—

The fame of "The Saw Most Carpenters Use" rests square on the skill of the Disston workman.

Henry Disston's first saws won their way on workmanship.

And so, when your Disston Saw makes hard work easy, you are getting a result that generations have worked to give.

The springy, tempered Disston Steel blade that holds its keen edge so long—

The true, clean, easy cutting that is so quickly done—

The balance and swing that make it seem a part of your arm—

These are the things that Disston saw-makers, aided by improved methods and modern machinery, work into the Disston Saw.

Go to the nearest hardware store. Take a Disston Saw in your hand. Read the promise etched on its shining blade.

Test that promise in use.

Try this saw for speed, ease and clean cutting.

Then you will understand and share the pride of the men who make the Disston Saw!

IT ISN'T price alone that makes economy. It's the quality you buy for the price you pay. If you will look around and compare price for price and quality for quality—then you will realize the sound economy we offer you.

Distance and Power!

An unbeatable team—Betholine and your motor. Betholine will give any motor that extra drive and power. It acts as interference when carbon attempts to tackle it. In traffic you feel like a half-back in a broken field—you marvel at your car's flexibility, its quick pick-up when you use Betholine. You will average more distance to your drives, too. Motor contentment is your goal—score a touchdown by using Betholine.

Because Vici Kid flatters the foot; because it is graceful, soft and rich; because the Vici colors are made for each costume mode—for pleasing harmony or smart contrast—Fashion says, “By all means, shoes of Vici Kid.”

Look for the Vici trade mark, the Lucky Horseshoe, stamped inside the shoes you buy. It stands for good luck in quality, color, smartness — and who could ask for more?

Good Luck, Yellow Jackets

We wish you a successful
and prosperous year

We are with you to the finish, Yellow Jackets, just as we have been back of every movement of civic development in Philadelphia and the State of Pennsylvania for the past thirty-five years.

“Teamwork,” with the public has been our motto, and the giving of the best values our policy — our reward has been the confidence of the public and a steadily increasing number of patrons.

Our clothing and sporting goods departments will always be glad to welcome members of the Yellow Jackets or the “fans” who are interested in their success.

“Ask Bobby Calhoun, he knows!”
