WINNIPEG -

SATURDAY, SEPTEMBER 17

All our clients are six feet tall — especially the smaller ones

Now don't run away with the idea that just because we're a big company we're only interested in big deals of one kind or another. We look after the small customer just as well — even those who only come in to fill their power lawnmowers.

While we take great pride in servicing giant airliners and ocean vessels, the fact of the matter is that our business really depends on people who buy small quantities for their cars, boats or airplanes.

So no matter how small your requirements may be, look for the Shell sign. There you'll find world famous products to fill your every need . . . and even if you're only three feet tall, you'll find the attendant looking up at you.

Next Game:

• The Grey Cup champs will be at Empire Stadium next Saturday for the last league appearance of Bud Grant's Bombers here. Winnipeg has defeated the Lions twice this year and Ploen, Shepard, Lewis, James, Shannon & Co. want to make it No. 3 over the Leos, extending their '60 undefeated record to nine (No. 8 tonight at Winnipeg against Saskatchewan). Counting last year's playoff and Grey Cup game the Bombers have won their last 12 games. Wayne Robinson and the Lions have other plans for the kings of Canadian football, and the Leos feel Saturday would be an ideal time to end Winnipeg's winning streak. This is one game no fan will want to miss.

• Saturday's game against Winnipeg is Minor Football Night. We will have an article by Denny Veitch, Minor Football Co-ordinator. There will be more free lucky-numbered B.C. Lions autographed player photos from Radio Station CKWX. See Page 2.

Cover:

• Tonight's cover shows the Lion and the Cowboy ready to fire away. Which team will draw first? The Lions will have their big guns primed for Calgary and the Leos hope to shoot down the Stampeders as they did in Calgary Aug. 22, 29-16.

Introducing . . .

JIM WALDEN, QB. 22, 6-1, 181. American. 1st year with Lions. The "Mississippi Gambler" from Wyoming played his first two league games at QB in Winnipeg and Regina. Against Bombers he threw a 22 yd. TD pass to Carphin, completed 4 of 13 and rushed 8 times for 39 yards. Amazed everybody throwing completed pass with left hand. Piloted club to 31-21 win at Regina. Completed 4 passes, two of them for TDs by Fleming and Carphin.

GEORGE GRANT, T-Kicker. 28, 6-4, 225. Canadian. 1st year with Lions. Taking over for the injured Vic Kristopaitis the former Colorado College ace made his debut in the WIFU an auspicious one at Regina last Monday. He scored 7 points, converting all three Lion touchdowns, kicked a 23-yard field goal and one single when one of his kick-offs bounced off a 'Rider player and went into touch. In '57 led Colorado College to conference title with 40-yd. FG.

FRANK GILLIAM, End. 26, 6-2, 201. American. 1st year with Lions. Joined club Aug. 30 and played his first game as a Leo in Regina last Monday. Born in Steubenville, Ohio, he was a 3-letter man at Iowa and was selected All Big Ten and NEA All American. Played in the Hula and Rose Bowl games of '57. Started '57 season with Green Bay, then to Winnipeg through '59, playing in three Grey Cup games. Came to Lions from Ottawa.

DON VASSOS, HB. 22, 5-10, 175. Canadian. 2nd year with Lions. A star back at UBC he broke all existing records for yards gained. Has good speed and in '59 the Lions' coaching staff converted him into a competent defensive halfback. In his freshman season Don intercepted three passes and ran one back for a TD. He is not expected to play tonight with Bob Jeter being used as a defensive halfback. Don is currently completing his B. Comm. at UBC.

NUB BEAMER, FB. 23, 5-11, 210. American. 2nd season with Lions. This former Oregon State star has blossomed forth with his fine play at Calgary, Winnipeg and Regina. Against the Stamps he scored his first WIFU TD and in 9 carries rushed for 87 yards. He scored his second teedee at Winnipeg and led the club in rushing with 46 yards. Although he did not score at Regina he again led in total yards gained rushing and picked up key yardage on crucial downs.

NEIL BEAUMONT, HB. 19, 6-1, 209. Canadian. 1st year with Lions. Only 19 years old, he has unlimited potential, and if he continues to improve and impress he could become the first Lion to win the WIFU rookie-of-the-year award. Developing into a top safety man. All-star with the Meralomas of the Vancouver Jr. Big 4 last year. Led league in scoring with 41 points on 6 TDs, 3 converts and 2 singles.

LONNIE DENNIS, G-T. 21, 6-1, 230. American. 1st year with Lions. He has seen a lot of action at offensive and defensive tackle. Played well at Winnipeg. He captured the Brigham Young "Cougars" in '59, was selected by his teammates for the Most Inspirational Award, and he was All Skyline guard '59. He was voted outstanding lineman of the Copper Bowl game and was 3rd draft choice of Pittsburgh (NFL) Steelers and Denver (AFL) Broncos.

MIKE CACIC, T-Middle Guard. 23, 6-5, 252. Canadian. 3rd year with club. Sitting out '59 season hasn't hampered his play to date. "Big Mike" has been a bearcat at Middle Guard, literally eating up the opposition. Ask Calgary's Kurt Burris and Winnipeg's Charley Shepard. A product of the Vancouver Jr. football development program he is rapidly becoming one of the top Canadian linemen in the WIFU. He is big, strong and fast, and has the potential.

JOHN LANDS, E. 24, 6-4, 205. American. 1st year with Lions. This three-sport letterman from Montana U. played his first WIFU league game last Monday at Regina. He replaced the injured Bill Herron at offensive left end. All Skyline Conference pass receiver '58-'59, 5th draft choice of LA (NFL) Rams '59 while still a junior, John gives Leos a fine target for long passes. Remember the 56-yard pass-and-run TD from Walden to Lands against Ottawa!

VERN LOFSTROM, FB. 25, 6-1, 205. Canadian. 3rd season with Lions. One of the delightful surprises of Coach Robinson's first Canadian camp ('59) was the play of this Vancouver Jr. product, who wasn't good enough in '58. An injury sidelined him for the year after he had carried 19 times for 94 yards, 4.8 average, and scored a TD. His best game offensively this season was at Calgary where he carried 10 times for 50 yards, including a TD.

LEO'S DEN

IS there any advantage in playing at home? Not if the results of the first 16 WIFU league games are to be used as a measuring stick. Saturday's Calgary at Edmonton game is not included.

The visiting team has won eight, lost seven and tied once in the first month of play. Over the Labor Day weekend the fans in Edmonton, Regina and Calgary saw their gridiron heroes lose to Winnipeg, Lions and Edmonton, respectively.

Bud Grant's powerful Grey Cup champs from Winnipeg lead the way with a victory on the home field of each of the other four teams in the Western Conference. Edmonton has won at Calgary and at Empire Stadium. The Lions are 2-2 on the road, winning in Regina and Calgary and losing at Edmonton and Winnipeg. Calgary has a tie (at Regina) in two road games, while Saskatchewan is still looking for its first win after six games, including three foreign field defeats.

There have been two shutouts. Winnipeg 27-0 over Saskatchewan at Regina and the Eskis blanked the Lions 26-0 here two weeks ago. Two games have been decided by one point with the winning team scoring the deciding point with less than 30 seconds left to play. Less than one touchdown has separated the teams in two other games, and Calgary fans have seen three third period Stampeder leads disappear in the fourth period!

The Blue Bombers are all alone on top and one of many reasons for their unbeaten streak has been their ability to come from behind. Winnipeg has rebounded in championship form from four half-time deficits to go on to victory.

At this writing Edmonton has the inside track for second, thanks to Jackie Parker, who has never played better. The injury-riddled Lions are third and a victory tonight would consolidate the Leos hold on the third and last playoff spot and also move them closer to the Eskis.

In the past Calgary has started with a rush, only to fall apart mid-way through the season. The Stamps look for new coach Steve Owen, a healthy Joe Kapp ably assisted by backs Earl Lunsford and Gene Filipski to reverse the procedure this season. Tonight's game could have a tremendous bearing on the playoff aspirations of the Lions and Stamps.

Losing football coaches—and there can only be one winner—have a rough time, which reminds us of this gridiron quip in this election year.

HARRY MEHRE, former Georgia football coach, on being ribbed by Tennessee's Senator Estes Kefauver, who said he once saw Tennessee beat Georgia 46-0: "Yes, sir, and I once sat on the sidelines and saw you and Adlai Stevenson lose by nine and a half million."

STAMPEDEERS

STOP Joe Kapp, colorful sophomore quarterback from California and the league's top passer in the latest official WIFU statistics, and you stop the Calgary offense.

That was the cry emanating from the football experts in the Western Conference in '59, Kapp's freshman season, and early this year before an injury slowed him down. Reports from Calgary say Kapp is healthy again—now watch the "Big Red" machine go.

Head Coach Steve Owen and his assistants, Bernie Witucki and Tom Keane acknowledge Kapp is a fine QB. That the "Stockton Slingshot" can pass, run, kick, and is a cool, confident field general.

Calgary, however, has much more, and for Kapp to click the entire Stampeder club must be in harmony with him. Owen thinks he now has the horses to get Calgary back on the victory trail.

Gene Filipski, Ron Morris, Don Stone (See pages 24-25); rookie Lovell (U. of W. Michigan) Coleman, and recent addition Dick (Baylor) Clark, obtained from Toronto, are considered to be among the best backs in the league.

Add Earl Lunsford, an outstanding fullback, who scored three TDs against Edmonton last Monday and in the process set a new one game league rushing mark of 211 yards. He also became the league's leading ground gainer with 471 yards. It adds up to a potent Calgary backfield.

Owen is blessed with possibly the premier ends in Canada in the persons of veterans Ernie Warlick, 1958-59 WIFU all-star, and Bill McKenna; freshman Bill (Florida A & M) Barber, who scored against the Leos in Calgary, and Ross (Oklahoma) Coyle, obtained from Toronto for Lynn Bottoms.

New line imports consist of guard John (Marquette) Blyth and linebacker Ernie (Auburn) Danjean, Big 4 '59 all-star obtained from Hamilton 10 days ago for Jerry Janes. Holdovers are centre Kurt Burris, guard Bob O'Neil, tackles Don Luzzi, Opie Bandy and Jerry Sturm.

B.C. LIONS

At the conclusion of tonight's game the Lions will have reached the halfway mark in the schedule. Do the Leos have enough to make the Western Conference playoffs for the second straight season?

Let's look at the records. The Lions have three wins and four losses. They have defeated Saskatchewan twice, here and in Regina, and Calgary once (tonight's opponent) in McMahon Stadium.

The defeats were administered by Winnipeg and Edmonton. The Bombers came from behind to win here and in Winnipeg and the Jackie Parker-led Esks have knocked over the Leos twice, at home and in Vancouver.

With the Esks, the Lions and Stamps within a game or two of each other, every game from here on automatically becomes a BIG one.

If the Leos are going to consolidate their hold on third spot and move up they are going to have to beat Calgary.

Tonight's game is a REALLY, REALLY BIG ONE! The Lions, although hit hard by serious injuries to imports Vic Kristopaitis, punter, field goal, convert and kick-off specialist and interior linebacker, defensive and offensive end Dick Johnson, both out for the season, and offensive left end Bill Herron, who isn't expected to be able to play until later this month, are ready.

The Lions have had a week to prepare for Steve Owen's revitalized Cowboys, whereas Calgary played in Edmonton Saturday.

If Calgary, who were 1-4-1, beat the Esks then the Lions (3-4) must win tonight to stay ahead of the Stamps. If the Esks won to give them a 5-2 record, the Leos must win to remain within two points of Edmonton. The three teams are that close!

Jim Walden has been given the starting quarterback call for the third consecutive game. This will be his first showing against the Stampeders.

Coaches Wayne Robinson, Dave Skrien and Don Branby think their boys can stop Kapp & Co. and Walden will be able to move the offensive unit successfully against the very tough Calgary line.

Calgary Coaching Staff

STEVE OWEN, Head Coach of the Stamps, makes his first Empire Stadium appearance tonight. The 62-year-old graduate from Phillips U. in Enid, Oklahoma is in his fourth game as bossman of the Stamps. He assumed command on Aug. 23. His club defeated Saskatchewan, lost to Edmonton and results of Saturday's game were not known at this writing. He was 29 years with NY Giants as player & coach, with Philadelphia '56-57, in '58 joined the Argos.

BERNIE WITUCKI

Is in his second year as Line Coach. Born in South Bend, Indiana. College ball at Notre Dame and George Washington U. Assistant coach Chicago Rockets, in ill-fated All-American Conference, then four years at Tulsa U. In '58 at ND.

TOM KEANE

New backfield coach from the U. of Western Virginia. He is a ten-year veteran of the NFL, splitting his duties between the Chicago (now St. Louis) Cardinals, Baltimore Colts and LA Rams as a player. In '57 assistant coach with the Cardinals.

The Way the Ball Bounces

Sometimes a lucky bounce will bring in points but a team never expects to win on the way the ball bounces.

Investing can be lucky at times, too, but the investor who reaches his ultimate goal is not the one who depends on luck; rather he follows a carefully designed investment plan.

Canadian Schenley Awards

An Annual Tribute to Outstanding Football Players in Canada

Inaugurated in 1953 to honor the Outstanding Player in Canada, the Canadian Schenley Award has developed into three separate categories. Recognition now is given also to the Outstanding Canadian and to the Lineman of the Year.

The players are selected by voting of sports writers and sportscasters from the Canadian Pro Football League consisting of the Western (W.I.F.U.) and Eastern (Big Four) Divisions. The balloting gives equal voting strength to each city.

In 1953 four American imports headed the poll for Canada's Outstanding Player. The Canadian Schenley Board

of Trustees, made up of football men from Western and Eastern Canada, then changed the terms in 1954 to include a special award for the Outstanding Canadian Player. In 1955 they decided to honor the Lineman of the Year.

The winners receive cash and plaques—\$1,000 Canada Savings Bond to the Outstanding Player, and \$500 Canada Savings Bond each to the Outstanding Canadian and Lineman of the Year. Their teams are given plaques and mementoes are awarded to their teammates.

Charles D. Pollard of Montreal is director of the Canadian Schenley Football Awards.

GOAL DUST

THERE is an abundance of excellent football reading in the following publications . . . October issue of SPORT features Montreal's Sam Etcheverry and Mel Allen's All-America Preview . . . LOOK asks if Jim Owen's Washington Huskies can win the Rose Bowl again? . . . September issue of PLAYBOY presents its annual Pigskin Preview and All-America team.

FORECASTS: Jim Hunt of the TORONTO STAR picks Winnipeg and Toronto for the Grey Cup . . . Tom Alderman of LIBERTY says Hamilton will defeat the B.C. Lions in the '60 Grey Cup game . . . Trent Frayne in MACLEANS likes Winnipeg over Ottawa for the Bombers third straight Grey Cup win, and he picks the Lions to finish third.

Edmonton coach Eagle Keys' approach to coaching is typically void of histrionics. "It isn't so much what plays you have, or how many, that counts. It's the way you execute them that's all important," he has been heard to say.

Do coaches have a sense of humor? We think so. Here are two good examples.

Paul Dietzel of LSU and coach of All-American Billy Cannon, summed up the whole muscular merry-go-round when he said, "The most important part of an athlete is the seven inches right between the ears."

The late Jim Tatum, U. of North Carolina coach, speaking in praise of second guessers: "When I come home at night after losing a game and go to bed and lie there wondering why I didn't pass or kick or run under such and such a situation, why, I know that 20,000 other people are in their beds wondering just that very thing, too. I tell you, it's a great feeling of fellowship."

Last year Calgary selected Joe Kapp as its Most Outstanding Player, Tony Pajackowski as its Top Canadian and Opie Bandy as its No. One Lineman. All three are expected to be in the Stampeders' starting lineup tonight . . . Tom Hinton was the Lions' Most Outstanding Player and Lineman of the Year in '59 with Don Lord, who retired this spring, as the No. One Canadian Player.

PENALTIES

Are assessed with the loss of a down or yardage rather than both (at the option of the team not being penalized).

1. **Rough Play** (Deliberate)—Loss of 25 yards. Player disqualified from game.
2. **Unnecessary Roughness** (scragging, tripping, blocking from the rear, tackling out-of-bounds, roughing the kicker, grasping an opponent's face guard)—Loss of 15 yards.
3. **Piling On** is when an opponent runs into, throws his body against, or falls upon a ball-carrier whose progress has, to all intents and purposes, been stopped. Penalty—15 yards.
4. **Offside:**
 - (a) On Kick-off by kickers' side — Loss of 10 yards with kick repeated or option. In the event of a second offense the opposing side will scrimmage (first down) at the point from which the first kick-off was made.
 - (b) On scrimmage by offence during first or second down—Loss of five yards. On third down on a kick—re-scrimmage with the loss of 10 yards, option to non-offending side. On third down on a Ball Carrying or Forward Pass Play where **yards are gained** or goal-line reached — re-scrimmage with loss of 10 yards, no option of choice by non-offending side. On third down on a Ball Carrying or Forward Pass Play where **yards are not gained** —loss of ball at point of last scrimmage.
 - (c) On a scrimmage by defense—Loss of five yards and down repeated by attacking side unless first down has been gained, or such option provided.
 - (d) On a scrimmage by defense on their own one yard line—Penalty: Down shall be repeated by the Attacking Side or they may take the option of any ground gained or score made.

AL POLLARD

McCahill & Friends Tom McCahill is a gentlemanly giant with a deep affection for things four-wheeled and four-legged. His understanding of the former has made him one of the world's foremost automotive test drivers and reporters. Happily, his highly trenchant observations on the virtues and foibles of some four hundred automobile makes and models, published in national magazines, have enabled him to spend an enviable amount of time (twelve months or so a year, say) with such delightful companions as Nodak's Boji Boy, Dinah, Moose, Pinney and the 4-wheel drive Land-Rover. This ten passenger station wagon was purchased by Tom shortly after completing a Land-Rover test for *Mechanix Illustrated*, in which he concluded: "The Land-Rover is a class vehicle from one end to the other, made by one of the most respected companies in the entire industry. In a few words, this car is capable, gutty, and as rugged as a cement casket." After acquiring his Land-Rover, Tom rephrased his own personal interest as follows: "I bought the big station wagon for field trial work and hunting. It's a great vehicle!" In addition to its many private uses, Land-Rovers are employed in an almost endless variety of occupations the world over—in farming and industry, in the armed services of twenty-three countries and the police forces of thirty-one. The versatility and value engineered into this remarkable vehicle will amaze you. Why not test drive a Land-Rover today?

Land-Rover gives you: the world's best four-wheel drive • a total of eight forward speeds, two reverse in high and low ratio • Rust-proof corrosion-proof aluminum alloy body; all steel body fittings heavily galvanized • Choice of two chassis lengths, seven basic body styles including seven and ten passenger station wagons, hard and canvas tops, and enclosed cab pick-ups • Three power take-off points • Choice of gasoline or diesel engine.
