# FOREWORD

The New York Football Giants today open their ninth season at the Polo Grounds. T. J. Mara redoubled his efforts this fall to give Giant fans one of the best teams it has ever placed on the field in National League competition.

The Giants come into their home stand this season with the best early season record in the past six years. Victories over Pittsburgh and Green Bay on the road were unprecedented events in recent years and point to a successful culmination in the drive for the Eastern championship.

The National League this season is divided into an Eastern and Western section, the winner in each section to meet in a playoff game to decide the world championship.

In an effort to give the Giants the Eastern crown many college stars were recruited and of more than thirty players who started out in training camp seven newcomers were able to win places on the squad.

The Giants were not satisfied merely to acquire Harry Newman in active bidding competition with other league clubs, but also secured Ken Strong to further insure the Giants a formidable title contender.

The increase of the National League to ten clubs will also mean an additional game at the Polo Grounds this fall, with seven home contests listed.

In an effort to make the game as enjoyable as possible the Giants have installed the most modern amplifying system obtainable to keep you acquainted with what is happening on the field.

## SCHOOLBOY CONTESTS

The New York Football Giants, in line with the National League plan to encourage field goal kicking by moving the goal posts back to the goal line, will each Sunday invite schoolboy kickers to compete in a series of drop kicking contests. These competitions will be run off between halves.

The winners of these sectional contests qualify for the final competition to be held on the day of the final home game, December 3.

Today representatives of Manhattan and Richmond schools compete. Charley Brickley, famous Harvard dropkicker who made good on 34 out of 37 attempts in college, has consented to act as the judge of the contest today.

The names and schools of competitors will be announced, and a complete record of the contest to date will be carried here each week.

IT TAKES  
**HEALTHY NERVES**  
TO FLY THE MAIL  
AT NIGHT!

● A. M. WILKINS has flown the night air mail over 150,000 miles for TWA. It takes healthy nerves to hang up a record like that!

● WILKINS joins a fellow pilot, W. Niedernhofer, at Newark Airport, for a chat and a smoke. "Camels never ruffle or jangle my nerves," Wilkins says.

**IT IS MORE FUN TO KNOW**

Camels are made from finer, **MORE EXPENSIVE** tobaccos than any other popular brand. They are milder, richer in flavor. They never tire your taste or get on your nerves.

**STEADY SMOKERS  
TURN TO CAMELS**

A. M. WILKINS, air-mail ace, says: "It's a steady grind, all right, living up to our tradition that *the mail must go through!* That's why I smoke Camels. And I smoke plenty! Camels never ruffle or jangle my nerves, and I like their mild, rich flavor."

Camels never tire the taste—never get on the nerves. *Your* taste and *your* nerves will confirm this. Start smoking Camels today and prove it for yourself.
