STATEN ISLAND'S 4MOST SERVICE

DON'T FORGET TO SUPPORT THE STAPES

THE COMING CHAMPS OF THE COUNTRY

INTRODUCTION

IT is with a deep sense of gratitude and appreciation that we welcome you to our game today. We are extremely grateful to the business men of Staten Island for their generous expression of confidence in this club, as evidenced by their financial contribution, which made this program possible. To our loyal supporters the "Stape Boosters" we also wish to convey our sincere thanks for the assistance they have rendered by having their names listed on these pages.

We earnestly appeal for the support of everyone, to help us construct, to help us make football better, and most of all to help us gain admittance to the "Big Leagues." This of course, requires the expenditure of a large amount of capital, but with the continued help of the legion of loyal "Stape" supporters, who made this team possible, we hope to go on with our work, with the thought uppermost in our minds, that ultimately Staten Island will boast of the greatest team in the United States, as well as being a "Big League" stronghold.

STAPLETON FOOTBALL CLUB.

STAPLETON SONGS

1. HAIL, HAIL, THE STAPES ARE HERE!

Hail, hail, the Stapes are here;
What the heck do we care
Who the heck they play here,
Hail, hail, the Stapes are here,
What the heck do we care now!

3. OVER THERE

Over there, over there, get that ball,
get that ball over there;
Here the Stapes are dashing,
The line they're crashing,
Just watch them smashing everywhere.
So prepare, so beware, send the word,
send the word we don't care.
Going over
It's going over,
And we won't shut up till it's over,
over there!

Parodies written by Charlie Burke

2. THAT BIG STAPE LINE (Tune: "Sweet Adeline")

Just watch that line, that big Stape
line,
Just see it hold, from King to Stein;
In all my dreams, no football teams
Have the power that will part
That big Stape line.

4. FOUR LEAF CLOVER

You're looking over a four-leaf clover
That you never saw before;
Take it from me they are certainly
great,
Williams and Newton, McCormick
and Waite!
When they get going, they soon are
showing
The speed that will make some score;
For you're looking over a four-leaf
clover
That you never saw before!
