## Greater Miami Estates

Now Selling \$200  
Third Down—Rest Easy

Investors in other F. A. BENNETT DEVELOPMENTS have made profits of as high as 2,000%. Look at my record—read the Miami papers of a few months ago—and you will see this statement is true.

I believe that in GREATER MIAMI ESTATES you have as great an opportunity as others have had and which they have grasped for huge returns.

GREATER MIAMI ESTATES is on the Kendall Road Extension, a BONDED highway. When this highway is finished, it will be about seven minutes from the West Dixie, about 15 minutes from Greater Coral Gables, about 15 minutes from Miami University, about 20 minutes from Coco Plum Beach and about 30 minutes from the Miami Postoffice.

You can buy these lots for \$200—on easy terms—TODAY. I believe the time is coming soon when they will be worth enough to make you the sort of profits that my clients have made before.
