Yellow Jacket Night at the New Roosevelt Theatre

PLAYERS PRESENTED WITH A BOX OF CANDY BY THE
MARIE SWEET SHOPPE

A capacity crowd jammed the beautiful Roosevelt Theatre on Thursday night, Nov. 18, in celebration of "Yellow Jacket Night." The team as the guests of Managers Stamper and Dannecker, and Joseph Carroll, Chairman of the F. A. A., acted as Master of Ceremonies, having arranged a very entertaining program in connection with the event.

After enjoying the regular program of the management, including the feature picture "Battling Butler," a motion picture of the Yellow Jacket players and officers and directors was shown and received very hearty applause. The film was produced and taken by the Roosevelt Theatre Management at the Yellow Jacket Stadium under the direction of L. Dannecker.

Following this chrysanthemums were presented to the players, the gift of the Roosevelt Flower Shop and also boxes of candy to each of the team from the Marie Sweet Shoppe.

Chairman Carroll then introduced "Uncle Joe" Beeson and his famous banner, "Frankford Against the World." Uncle Joe said

a few words in behalf of the community and the team. Bobby Calhoun then was introduced and following him came Jim Mullaney the "Cheerup" of the Jacket Squad, who drew round after round of applause with his clever singing and dancing act.

The very enjoyable program was brought to a close with the singing, by the entire audience, of the famous "Yellow Jacket Song," led by Jackie Challenger, who each week sings a special chorus at the stadium.

The magnificent theatre was decorated with the Yellow Jacket colors and pennants and the ushers, too, wore the Frankford colors on their uniforms.

Managers Stamper and Dannecker deserve the highest praise for their community spirit and the officers of the Association most heartily thank them for the courtesies extended the players, officers, directors and friends of the Association, the logues on the left of the theatre being reserved for the Yellow Jacket delegation.

"Dave" Mellow, F. A. A. Director and Former Star FORMER HALFBACK GOING STRONG AS DIRECTOR

Dave Mellow

Dave Mellow is serving his second year as a member of the Board. He is one of the old guards inasmuch as he was a member of the Yellow Jacket team from 1912 to 1923. He just missed being on the 1899 squad. Dave started as a lineman, but was later converted into a halfback. He was able to take plenty of punishment and held his own with the best of them. Last year Mellow was a member of the Managing Committee and this year his advise is sought many times when the question of plays and players arises. Dave's working line is coal, he being connected with the old established firm of William B. Horrocks and Company.

Adolph (Swede) Youngstrum Go-
ing Strong With Jackets

Swede Youngstrum, who has been playing pro football since the World War, sure is strutting his stuff for the Jackets this season. This is Swede's first year in a Frankford Jersey and he certainly has become popular with the fans. Loyal rooters first saw him playing pro football with the Quakers in the Phillies Ball Park, when Frankford battled Heinie Miller's Stars. He since then was with the Buffalo Club from 1921 to 1925.

He has been playing a bang-up game as tackle for the Jackets this season and Saturday a week ago had his first chance to enter the scoring column when he intercepted a pass tossed by Ernie Nevers and galloped 18 yards for a touchdown.

Green Bay Packers Hope to Check Jackets Here Today

LIKE FRANKFORD, HAVE COMMUNITY ORGANIZATION PROFITS FOR
BENEFIT OF AMERICAN LEGION POST OF GREEN BAY

The Big Bay Blues have been champions of Wisconsin since 1918 and in '21 laid claim to titular honors in the Northwest, which they have held ever since.

The Green Bay Packers have been in the National Football League since 1921. In that time the Badger State champions have won 34 games, lost sixteen and tied eight games. In twenty of the games the big Bay Blues held their opponents scoreless. The Packers have never finished lower than 7th position in the percentage table.

The Packers are shown as "The pro team with the college spirit." Every member of the team either lives in Green Bay or within motoring distance. The Packer management aims to get "all year" jobs for the football players. Captain Lambeau, Mathys, McAuliffe, Lewellen, O'Donnell, Woodin, Harris, Earp and Jean reside in Green Bay, Kotal and Basing hang their hat in Appleton, only 30 miles away, while permanent positions have been found for the majority of the newcomers, including Liberg, Cyre, Cahoon, Enright and Carlson.

The Big Bay Blues of 1926 have new faces in the lineup. These players are Flaherty, Cyre, Cahoon, Lidberg, Purdy,

Weslyn, McAuliffe, Enright and Carlson.

Captain Lambeau has been with the team since 1919. Mathys, Woodin, Gardner and Earpe donned the blue jersey in 1922. Basing made his debut in 1923 while Lewellin, O'Donnell and Rossatti were additions in 1924. Kotal and Jean were added to the battle front in 1925 along with Harris and Abramson.

The Packers practice every morning in the week and a fine is imposed upon the players who fail to report for the daily drill. Blackboard talks are held two nights a week.

Although Green Bay is the smallest city in the Pro League, Community support enables the Packer management to keep its head up with the big fellows. Green Bay takes its Packers as Princeton its Tigers and from September until December the natives do little else but talk, eat and sleep football.

The Green Bay Corporation owners of the Packers is an organization composed of leading business men, Stockholders include nearly every football fan in the city.

The Corporation is a non-profit organization and any profits made during the football season are turned over to the American Legion Post of Green Bay.

YELLOW JACKET SONG

Everybody Sing Right Out

There's a team in Frankford here,
A team that can't be beat,
For them we surely hold no fear
That they'll e're taste defeat.
A team of warriors tried and true
They're each in every play,
Say they hit that line and rush right thru
That's true ,their opponents, where are
they — (Hey)

Down the field again they go
They're playing now like mad,
The other line knocked to and fro
I'll bet you beat them bad.
The whistle now will shortly blow

You sure have played some game,
So we all have the right to blow
About Yellow Jackets' football fame. —
(Hey)

—————
Special Chorus for Today's Game

Triangles here again,
The Jinx of our great team,
But all their efforts are in vain.
This year, it's a scream
How they try to crush our men,
But we'll knock them off their feet.
They will go to Dayton tonight, and then
Acknowledge their defeat.

Detroit Panthers First Post Season Attraction Saturday

JACKETS ALL SET TO AVENGE LAST SEASON'S DEFEAT. DETROITERS
IN FIFTH PLACE AND GOING STRONG

This Saturday Detroit and Frankford will clash at the Stadium in the first of the Post Season battles. This should prove a great game as the Yellow Jackets have not forgotten that 3-0 defeat they suffered in Detroit last year, when the locals were toppled out of first place by a field goal by Gus Swineborn.

Although Frankford had the edge at all times they lacked the punch to put the ball across and the 3 points was the margin of victory.

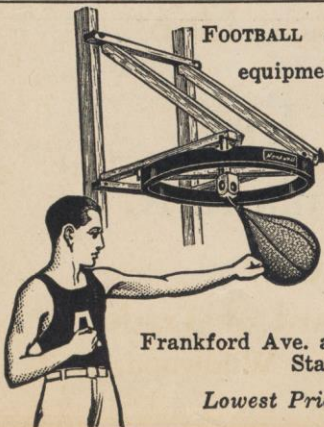

Swineborn, who is with the club again this year, is the threat the Detroiters will use to demoralize the Jackets. Swineborn is a former All-American tackle from Dartmouth, and is surrounded by a galaxy of stars that are among the best.

Proof that Chamberlin and his Jackets will have their hands full lies in the fact that

the Detroiters are up among the leaders and are prepared to use the Jackets as a stepping stone in their climb to the top of the League.

FRANKFORD WILL PLAY PROVIDENCE DECEMBER ELEVENTH

Two games have been arranged with Providence, one at Frankford, Saturday, December 11th, and another at Providence, Sunday, December 12th. This is the only team that has beaten the Yellow Jackets this season.

"We Aim to Please"

—and then YOU will share
their pride in this Saw

YOU can still buy a hand saw that is the personal product of a craftsman's hands—and in which you can take a craftsman's pride.

Though the world's greatest saw works is alive with modern machines—many of them invented and built here in the Disston plant—

The fame of "The Saw Most Carpenters Use" rests square on the skill of the Disston workman.

Henry Disston's first saws won their way on workmanship.

And so, when your Disston Saw makes hard work easy, you are getting a result that generations have worked to give.

The springy, tempered Disston Steel blade that holds its keen edge so long—

The true, clean, easy cutting that is so quickly done—

The balance and swing that make it seem a part of your arm—

These are the things that Disston saw-makers, aided by improved methods and modern machinery, work into the Disston Saw.

Go to the nearest hardware store. Take a Disston Saw in your hand. Read the promise etched on its shining blade.

Test that promise in use.

Try this saw for speed, ease and clean cutting.

Then you will understand and share the pride of the men who make the Disston Saw!

The Chicago Bears had a close shave on Sunday a week ago, but kept their record defeatless by downing the Milwaukee Badgers, 10 to 7. Half time found the Bruins trailing, 7-0, but they spurted to a victory in the closing frames.

Chris O'Brien called off the Cardinal-Akron gaem on account of rain. The wet spell was a blessing in disguise to the Chicagoans as their battle front was all shot to pieces following a long string of serious injuries.

KEEP SEAT STUBS TO
REMEDY ERRORS

The management of the Frankford Athletic Association, Inc., will zealously protect the holders of reserve seat checks if but given the opportunity to act. Should a holder of a reserve seat coupon for any reason be unable to secure the seat called for, a call for one of the head ushers will result in straightening out any situation, no matter how tangled. All the management asks is the prompt co-operation of the patrons at the park, instead of complaining by letter *after* the mix-up has occurred. *Under no circumstances should holders of coupon checks surrender them to ushers. The coupon is for the protection of the patron and is the most convincing evidence he can invoke to support his claim.*

Ernie Nevers' Opinion

Ernie Nevers, Leland Stanford's all-round athlete, had something to say on professional football in general and some of the players in particular when in this city just recently.

Nevers, one of the most conscientious of professional performers, is of the opinion that some of the paid football players are not giving the public what the public is paying for. He is not alone in that thought.

"When a man is advertised to play, said the Western All-American, "he should be in the game every minute unless he is carried off on a stretcher."

One does not have to have a very keen mind to realize that Nevers was knocking Red Grange. The famous Wheaton Iceman on his tour of last year played only a few minutes in every game which his manager arranged for him. This year, however, Grange has played most of every contest.

Nevers is right, and if we are not mistaken, C. C. Pyle saw the same light when he was leading Grange around the country last season. Grange and Pyle cleaned up on that trip, but the promoter realized he could not repeat unless Grange played many more minutes of the games.

There can be no doubting that Grange plays his best when he is on the field, but there are some professional athletes who do not. There always is the fear of injury and the missing pay envelope. "Pro" gridiron athletics will not give their best always unless they are protected against financial loss resulting from injuries.

The Frankford Yellow Jacket team is not troubled with backward players because the gridmen are guaranteed their salaries whether they are on the bench or in the hospital.

Beckley, a new comer in the Dayton lineup, is showing lots of class behind the line. He is equally at home either cutting through tackle or skirting the wings. And what's more experts say he is a sure shot field kicker.

Murphy, the Milwaukee Badger recruit back, is making quite a name for himself as a punter. In the game against the Bears, this youngster more than held his own with the much famed Paddy Driscoll in a kicking duel.

Tony La Tone is continuing to shine as a gridiron star in the Pottsville backfield. This product from the Pennsy coal fields doesn't have to take a back seat for any of them when it comes to jamming a front wall.

Modern Equipment Makes Football a Much Faster Game

NEW STYLES OF UNIFORMS, HEADGEAR AND SHOES HELP PLAYERS CONSERVE ENERGY ON FIELD

Much of the improvement in athletics is due to the laboratory. Science has played an important part in creating new world records in all sports.

New kinds of wearing apparel make football faster and saner. The equipment introduced this year shows numerous changes and makes for greater speed and fewer injuries. Uniforms, headgear and shoes have all been remodeled.

The most significant change comes in the pants. Instead of having the padding attached, the new style trousers contain slits and the padding can be inserted whenever desired. Nopadding will be used during signal practice, punting and punt catching. This saves energy. You may say that it will not save much, but nevertheless it may save just enough some day to make the difference between victory and defeat.

The margin is frequently a thin invisible line. Had players often had the "extra ounce" needed, they could have escaped a tackler late in the game when victory depended upon their escaping the tackler.

In the new trousers, there is also a slit six inches above the knee. A pad composed of strong fibre that has a shock absorbing effect can be slipped in here. This reduces

the chance of the player being afflicted by "charley horse."

Also, there is a rainy day trouser, made of oilskin. These pants also have slits where padding can be inserted.

All pants are now being made form fitting and the familiar lacing in the back is missing. Abolishing the lacing helps the runner. In the past tacklers have often been able to bring down runners because they were able to get hold of the lacing in the rear. It gave them the opportunity to get a grip on the runner.

Headgear is now inlaid with soft rubber, instead of felt. Two rubber ringlets circle the ears. Soft rubber, encased in soft leather, guards the forehead. There is also a double top to the headgear. The piece that rests on the head is made of soft leather while the outer piece is made of a hard fibre composition. The two tops are separated by a piece of spongy rubber which serves as shock absorbing. The total weight of the headpiece is four and one-half ounces.

Shoulder harness is now used instead of shoulder pads. This new apparel is made chiefly of hard fibre, inlaid with sponge rubber. This furnishes much better protection for the chest than the pads gave.

Good Luck, Yellow Jackets

We wish you a successful
and prosperous year

We are with you to the finish, Yellow Jackets, just as we have been back of every movement of civic development in Philadelphia and the State of Pennsylvania for the past thirty-five years.

“Teamwork,” with the public has been our motto, and the giving of the best values our policy — our reward has been the confidence of the public and a steadily increasing number of patrons.

Our clothing and sporting goods departments will always be glad to welcome members of the Yellow Jackets or the “fans” who are interested in their success.

“Ask Bobby Calhoun, he knows!”
