“It’s The Snap That Counts”

Wear this popular LEE model any way you like . . . off the face, telescoped or snap brim! . . . but no matter how you wear it you’ll find that style and quality are *water-blocked* in for keeps—by the famous LEE WATER-BLOC* process which makes hats rollable, foldable, super-serviceable and moisture-proof!

Featured at **\$5**

*REG. U. S. PAT. OFF.

LEE *fine* HATS

Manufactured by

THE FRANK H. LEE COMPANY

DANBURY, CONNECTICUT
