## INDIVIDUAL RECORDS

Two of the greatest forward passers of the country face each other here today when Arnold (Flash) Herber, Green Bay ace, starts throwing the leather against Harry Newman, the Giants' aerial star. Herber has a slight edge on Newman according to league statistics in completed passes. Herber has completed 35 in 85 tosses for a 41 per cent average to gain 435 yards. Newman has gained more yardage, 610 yards, but has completed only 31 passes. Glenn Presnell, Portsmouth star, has also completed 31 tosses but has gained only 554 yards on his aerials.

Ken Strong, Giant scoring ace, is tied for the lead in the individual race with Presnell. They both have tallied 55 points. Buckets Goldenberg, Jewish fullback of the Green Bay squad, is fourth in point getting with 42 points, two less than Jim Musick of Boston.

In the past week Newman fell to fourth place among the ground gainers as Presnell pulled his total up to 419 yards, to Newman's 393 yards. Cliff Battles has a big lead on his teammate, Musick, in the race for leading honors. Battles has piled up the remarkable total of 695 yards, to 564 for Musick.

Roy Grove, former Michigan State quarterback now with the Packers, is one of the three leading pass receivers of the circuit. Grove, Bill Hewitt of the Bears, and Paul Moss, Purdue All-American now with Pittsburgh, have each caught thirteen tosses. Moss, who faces the Giants here next Sunday in the last home game of the season, has gained the most yardage, however, with 263 yards.

The Green Bay Packers, champions of the National Football League for three of the last four years, are tied for honors in two divergent types of play according to league statistics.

The Packers have thrown the most forwards, 143, and because of the amazing accuracy of Arnold (Flash) Herber, have completed the most, 63, for an average of 44%. Brooklyn has completed 55 in 120 for an average of 45% but has played three less games. On defense, the Packers are tied with Portsmouth for honors. The Packers have yielded only 1,571 yards in ten games, the Spartans 1,408 in nine. Only the New York Giants have a better record in making points, the Giants having scored 170 to 148 for the Wisconsin eleven. Boston continues to stand out as the offensive leader with 2,385 yards gained in ten games.

IT TAKES  
**HEALTHY NERVES**  
TO FLY THE MAIL  
AT NIGHT!

● A. M. WILKINS has flown the night air mail over 150,000 miles for TWA. It takes healthy nerves to hang up a record like that!

● WILKINS joins a fellow pilot, W. Niedernhofer, at Newark Airport, for a chat and a smoke. "Camels never ruffle or jangle my nerves," Wilkins says.

IT IS MORE FUN TO KNOW

Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand. They are milder, richer in flavor. They never tire your taste or get on your nerves.

**STEADY SMOKERS  
TURN TO CAMELS**

A. M. WILKINS, air-mail ace, says: "It's a steady grind, all right, living up to our tradition that *the mail must go through!* That's why I smoke Camels. And I smoke plenty! Camels never ruffle or jangle my nerves, and I like their mild, rich flavor."

Camels never tire the taste—never get on the nerves. *Your* taste and *your* nerves will confirm this. Start smoking Camels today and prove it for yourself.
