## TO OUR FANS:

The greatest game throughout the year  
Occurs next Sunday, fans, right here,  
For once again the famous BEARS  
Will demonstrate their football wares  
Against us, and I'm telling you  
A battle royal should ensue!  
With Feathers, Grange, Nagurski,—wow!  
Those BEARS can tote the ball, and how,—  
While matching Strong, our field goal star,  
Jack Manders boots 'em from afar.  
Of course, our GIANTS' hopes run high  
And they're all set to do or die!  
A fan can ill afford to miss  
A classic struggle such as this,—

SO COME NEXT WEEK; YOU'LL SURELY VIEW  
A GAME THAT THRILLS YOU THROUGH AND THROUGH!

## NATIONAL FOOTBALL LEAGUE INDIVIDUAL RECORDS

Beattie Feathers, the Chicago Bears' star from Tennessee, continues to set his ground-gaining record at a higher level each week. Feathers, who will try to boost his record yardage total here next week, has piled up 835 yards, more than one hundred ahead of last year's record total made by Gyp Battles of the Boston Redskins. Earl (Dutch) Clark of the Detroit Lions is closing up the gap on Feathers but is still more than 200 yards behind the sensational Bears ball carrier.

Battles, last year's leading gainer, has 467 yards to be best in the East, with Warren Heller, Swede Hanson and Harry Newman all grouped close behind him.

There is a three-cornered battle for forward passing honors with Arnold Flash Herber of Green Bay and Harry Newman of the Giants chasing Clark. The two rivals face each other here today. Both have completed 30 tosses, but Herber has only thrown 70, while Newman has tossed 80. Herber has gained 560 yards with his flings while Newman has gained 304.

Jack Manders, the Bears' sensational kicker who has made 23 points after touchdown so far this season with only one miss, has kept pace with Clark in the race for individual scoring honors. Clark has 65 points and Manders 56. The Bears' star is out to pass Clark when he invades the Polo Grounds next week. Feathers is the leading touchdown maker of the circuit with eight six-pointers to his credit.

Ken Strong is in the race for scoring honors, which he held last year, with 41 points. Harry Newman's score against the Bears last Sunday has also put him in the first ten, for the Giant quarterback now has 25 points to be tied with the powerful Bronko Nagurski of the Bears and Battles of the Redskins.

**Seat sale for Chicago Bears' game here next Sunday opens tomorrow morning in New York Giants office, Room 1740, 11 West 42nd Street.**

# The National Football League Revised Rules

Season 1934

In all instances other than in the exceptions noted herein the rules of the National Intercollegiate Athletic Association, including changes made for 1934, are to be followed:

## KICK-OFF AND FREE KICK

1. The receiving team may line in any position beyond the ten yard restraining line.

2. It is permissible for the kicking team to use a natural tee made from the soil in the immediate vicinity of the point of kick-off.

## OFF-SIDE PLAYS

On all off-side plays committed within the ten yard line by the defensive team, the penalty shall be one-half the distance to the goal instead of five yards.

## PLAYER ENTERING THE GAME

A player entering the game shall be permitted to communicate with his teammates immediately, instead of waiting until one play has been completed.

## FLYING BLOCK AND TACKLE

The flying block and flying tackle are permitted.

## FORWARD PASS

1. The passer may pass the ball from any point behind the line of scrimmage.

2. A forward pass made hand-to-hand back of the line of scrimmage, which becomes incomplete, is to be ruled a fumble.

## TIME OUT

Officials must notify the COACH of each team when time has been out three (3) times—and no penalty is to be imposed for additional time out unless such notice has been given.

## DEAD BALL

In Rule 7—Section 7—Article (1a) of the Intercollegiate rules omit the words "when any portion of his person except his hands or feet touches the ground."

## PERSONAL FOULS

Use of hands—In Rule 10—Section 2—Article 1—Item 2 of the Intercollegiate Rules, omit the words "players on defense may not strike the opponent on the head, neck, or face with the palms of their hands".

## CLIPPING

The penalty for clipping shall be 25 yards—officials shall enforce this rule to the letter.

## GOAL POSTS

The goal posts shall be placed on the goal-line instead of ten yards beyond.

Because of the goal posts being placed on the goal-line the following rules become effective:

1. A ball kicked from the field of play, except one scoring a goal, which strikes the goal posts or cross-bar before being touched by a player of either side, shall become a dead ball and is to be ruled a touchback.

2. A ball kicked from behind the goal-line which strikes the goal posts or cross-bar and is recovered by the opponents in the end zone shall be ruled a touchdown. In the event it is recovered by a player of the kicking team, or rolls outside the side line extended, or beyond the end line in the end zone, it shall be ruled a safety. Should the ball strike the goal posts or cross-bar and continue into the field of play it shall be played as if it did not hit the goal posts.

3. A forward pass thrown from the field of play which strikes the goal posts or cross-bar before or after it has been touched by an eligible player and before it has touched the ground shall be declared incomplete and ruled a touchback.

4. A forward pass thrown from behind the goal-line which strikes the goal posts or cross-bar shall be subject to recovery by the opposing team or any eligible player of the passing team before it strikes the ground. (The passer is included among the eligible men.) Should the ball be recovered by an opposing player within the end zone before it strikes the ground it shall be ruled a touchdown. If it is recovered by a member of the passer's team and not advanced into the field of play, or bounds beyond the side line extended, or beyond the end line, it shall be ruled a safety. Should the ball strike the goal posts or cross-bar and continue into the field of play it shall remain in play as though it had not touched any obstruction.
