## *To Our Fans:-*

It is with a deep sense of gratitude and appreciation that we welcome you to this game. We are extremely grateful to the business concerns, individuals, and organizations of Paterson for their generous expression of confidence in this Club as evidenced by their financial contributions to this program. We appeal to you fans to buy in Paterson and patronize the merchants who advertise in this program.

We earnestly appeal for the support of everyone, particularly this year which is our first, to help us construct a winning football team, so that we may redeem your loyalty and support by obtaining a franchise in the National Football League as soon as possible.

This of course requires the expenditure of a large amount of capital. However with the continued support of the legion of loyal "Panther" rooters, we hope to go on with our work, with the thought uppermost in our minds that eventually Paterson will boast of one of the strongest teams in professional football, whose achievements will ultimately gain the admiration and praise of every football fan throughout the country.

So come on you Paterson Fans, get behind these boys and cheer them on, give them your loyal support whether in victory or defeat since they are your team, a team of which you may well be proud, to carry the name of Paterson to everlasting fame.
