INTRODUCTION

IT is with a deep sense of gratitude and appreciation that we welcome you to our game today. We are extremely grateful to the business men of Staten Island for their generous expression of confidence in this club, as evidenced by their financial contribution, which made this program possible.

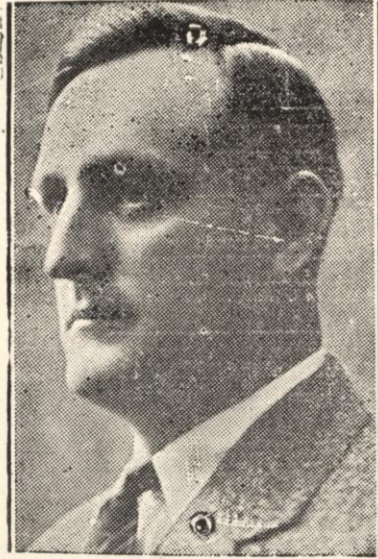

We earnestly appeal for the support of everyone, to help us construct, to help us make football better, and most of all to help us gain admittance to the "Big Leagues." This of course, requires the expenditure of a large amount of capital, but with the continued help of the legion of loyal "Stape" supporters, who made this team possible, we hope to go on with our work, with the thought uppermost in our minds, that ultimately Staten Island will boast of the greatest team in the United States, as well as being a "Big League" stronghold.
