REVIEW

—OF—

Frankford Athletic Association

1905

The year 1905 has been the most successful one in the history of this Association. In the Suburban League our Baseball Club won the Pennant and was easily the best club in Philadelphia and vicinity outside the League clubs. It has been the aim of the management to furnish to our patrons a clean square game conducted in a gentlemanly manner. Our Foot-Ball Club has attained an enviable position for itself in that branch of our sports and is fully up to its usual standard of excellence. The management solicits the interest of the Frankford public in its affairs and extends its thanks to its patrons for their very loyal support this year and promises for the coming year their best efforts toward making it the best year yet. In conclusion we would like to make plain to you all, that this Association is not in business to make money, but to give you good sport, and all money received in excess of expenses will be expended in getting together stronger clubs or in increasing your comfort at the grounds.

HURRY Line up and score a point or two

By eating that which will TOUCH DOWN in the bottom of your stomach with perfect SAFETY, for the GOAL of our ambition is to live on that which will keep a good SIDE-LINE-ing in us, and that will be a good GAIN, for TACKLING anything that is bad would be a LOSS every time. Keep on your feet is the GAME. You all want to play, and the only way to WIN is by eating that which is baked at LATIMER'S. The first DOWN should be some of our Home-made Bread, because that is the CENTRE of our living and it GUARDS against disease. makes you able to TACKLE anything. After that you make a RUN for some of our Butter Sponge, at 25 cents a pound, and we will let you be REFEREE. If it is not the best you ever ate, you will get your QUARTER BACK. What is the use making both ENDS meet when our pies are in the GAME. You may try and DODGE them, but their defense is perfect, for the crust is as light as a waffle you get off the GRIDIRON. Don't be caught OFF SIDE by eating inferior kinds, because you could never DOWN one and you would only take the other HALF BACK. If you would like to sample our wares so you could distinguish them from the rest in the FIELD, stop in while you are passing our Bakery, and I will send you so FULL BACK home that you will feel satisfied to come back again without any KICKING.

Frankford Will Play Emmett

On Thanksgiving Day the Frankford A. A. football team will play their annual game with the Emmett team, of South Bethlehem. This game is an annual feature at Frankford and has always resulted in a close and exciting game, Emmett being one of the strongest teams in the eastern part of the State. On Saturday, December 2, Frankford will play Medico-Chi, which defeated the Jefferson last Saturday at Philadelphia Ball Park, in a game for the benefit of the Frankford Hospital. Another strong contest may be looked for in this game, as both teams are among the strongest in Philadelphia.

FRANKFORD WON

Defeats Emmett, of Bethlehem, in Annual Thanksgiving Game.

Frankford A. A. and Emmett, of Bethlehem, played their annual game at Wistar Park yesterday, and the former was victorious by the score of 16 to 0. The Frankford boys played a fast, snappy game throughout and at no time was their goal in danger. Next Saturday Frankford A. A. plays Medico-Chi for the benefit of the Frankford Hospital.
