GIANTS SCORING RECORD

Sharing first place in the National League with the Green Bay Packers from Wisconsin the Giants have established the greatest scoring record ever made in professional football. In their last seven victorious games the red and blue warriors led by Benny Friedman have totaled 170 points to only 29 for their opponents.

Executing their brilliant land and air attack with machine-like precision the Giants have bowled over some of the strongest opponents in the league. After a 0-0 tie with Orange in the opening game the Giants quickly proceeded to get busy and their record is as follows:

Proceeds from the intersectional game will be devoted to the charity chest of the Young Men's Philanthropic League, which plans to honor the former Michigan captain who has been such a big factor in the Giants remarkable success this season. The Young Men's League with its big membership conducts city-wide charitable undertakings every year.

Billy Rolfe is chairman of the special committee which is handling the Giants-Green Bay game.
