Bitter Rivalry Renewed Tonight

One of the hardest fought series in the league will be resumed tonight when the Steelers meets its perennial rival, the New York Giants, with each team seeking its first victory of the infant season. Last season the teams met only once with the Steelers scoring a victory. The Giants lead the series which began in 1933, 20 wins to 12 losses, with two games resulting in ties.

A battle for first place in the Western Conference will take place in Baltimore also tonight when the Colts clash with the Detroit Lions.

Tomorrow two undefeated teams, San Francisco 49ers and Los An-

geles Rams, will meet in the first of their annual two game series which has produced dramatic football since 1950, despite the five to one advantage the Rams hold.

The 49ers won their only game in the first game of the 1951 season. Last week Los Angeles defeated the New York Giants while San Francisco was winning a thriller from the Philadelphia Eagles.

Other games tomorrow are Chicago Bears at Green Bay and Cleveland Browns at Chicago Cardinals.

AMERICAN-Standard

First in heating . . . first in plumbing

"It's the hottest team in the league!"

■ "Warming up" a football team with American-Standard Heating Equipment is a little unusual. But when it comes to homes, the use of American-Standard Heating Equipment is the best way to be sure of healthful, cozy warmth all winter long. Whether you prefer radiator heating, warm air heating or winter air conditioning . . . whether your fuel is coal, oil or gas . . . American-Standard Heating Equipment will provide years of carefree comfort. Always look for the American Standard Mark of Merit on heating equipment and plumbing fixtures. **American Radiator & Standard Sanitary Corporation, P. O. Box 1226 Pittsburgh 30, Pennsylvania.**
