CHICAGO BEARS vs. GREEN BAY

Now—as the autumn air grows crisp, and you sense that sluggish pulse within you quicken with eagerness—what glorious a time to look up that worthy old friend, BELMONT of Kentucky! For Schenley's Belmont is rich as the autumn leaves—a genuine old-formula Bottled in Bond Bourbon—full-flavored, luxurious, and exquisitely mellow. A rousingly fine Bourbon!

Gaining Ground— — against high tax rates

ASSESSOR JOHN S. CLARK added \$148,000,000 in intangible wealth to the assessment roll.

Reduced the tax rate from \$9.52 to \$8.73.

Saved \$18,000,000 in taxes for owners of real estate and small property.

Eliminated the tax on ordinary household furnishings and necessities of life.

Brought greater justice to the assessment of intangibles — money, securities, and capital stock by taking into account ability to pay.

Accurately measured real estate values under rules developed with the assistance of the best real estate men in the city and county.

Brought to his administration 25 years experience in the real estate business, 18 years membership in the city council and 10 years chairmanship of the city council finance committee.
